

Sam is an adorable new character whom preschoolers are sure to identify with. In this debut story, Sam thinks of himself as the bravest kid at school and calls his friends Max a scaredy-cat. But when Sam is scared by a spider, its Max who saves the day. Now Sam does have something to be afraid of--what if Max tells everyone that its really Sam whos the scaredy-cat? Expressive, soft-edged illustrations capture the reassuring theme that everyone is afraid of something--its how you face your fear that makes you brave.
