

These crestline series of books by motorbooks international offer a comprehensive look through the years. This 1973 non revised first edition book (harder to find) is in VERY GOOD condition (No creases or writing, cover shows very slight discoloration). From 1903 right through to 1973 this book shows every car model of every year. All photos are good size and in B&W. An interesting look back at 70 years of Buick history and a must have for any collector or enthusiast.

Probability and Statistical Inference: Volume 1: Probability (Springer Texts in Statistics), The foundations of mathematics; a contribution to the philosophy of geometry, The Collected Mathematical Papers of Arthur Cayley.Vol. 12, Introduction To the Calculus of Finite Differences, A History Of The Calculus Of Variations, Engineers and Engineering: V. 22-23 1905-1906, Complementary Variational Principles (Oxford Mathematical Monographs),
