

Another Sommer-Time Story: Spike the Rebel!

Spike the rebel is a mean-spirited bully in his neighborhood and school. All the kids are afraid of him, except Mary. She warns him that one day his meanness will come back to haunt him. Spike on a family camping trip, steals a canoe, rows past a caution sign, and ends up being thrown over the waterfalls. He survives, but the incident only makes him meaner. Next, he steals a kids BB gun and shoots a protected eagle. Even worse, when the park ranger comes, he plants the evidence so the other kid gets blamed. While riding his bike one day, Spike hits one of his self-made bike traps. He breaks his leg and bleeds badly. Debbie, a girl he laughed at for falling off her bike in one of his traps, comes with her mother and rescues him. This incident transforms Spike. He finally discovers he's much happier having friends and helping others. Virtues: Tolerance / Friendship / Cooperation
