

Thank You and Good Night

Learning to be thankful in a beautiful story Thank You and Goodnight is a beautifully illustrated book that shares the heart of gratitude. Jon Gordon takes a little boy and girl on a fun-filled journey from one perfect moonlight night to the next. During their adventurous day and night, the children explore the people, places and things that they are thankful for. The two tots in Thank You and Goodnight learn that being thankful makes ice cream taste better, butterflies look more beautiful, and weekend days seem longer. Thank you is a phrase that will brighten any kids day and help them get a good nights sleep. Jon Gordons bestselling books and talks have inspired readers and audiences around the world. He is the author of numerous books on leadership and teamwork and several childrens books including The Energy Bus for Kids. Jon invites you to visit and connect with him on his website www.JonGordon.com and on Twitter @JonGordon11. Donald Wallace, illustrator, animator and designer loves to work in all directions of the visual story: animation and movies, books, games, commercials, music videos, and theme park rides. This is his third collaboration with Jon Gordon. Donalds constant mission: spread light and keep the kid alive in all of us. Visit Donalds website, www.wallyhood.com.
