

The Dish Ran Away with the Toy (Live Learn Love and GROW! Book 1)

Its just plain hard being a kid. When your 6 years old everything seems just out of your reach. This book helps kids to deal with the feelings of entitlement and helps them to learn to earn the things they get. Katelyn learns that when she works for something the prize is even sweeter... This series is designed to help kids learn morals and values in an entertaining way. Not preachy just a different way of approaching the things we all must learn.
