

## Sunny Sweet Is So Not Sorry

We've all woken up on the wrong side of the bed. But have you ever woken up stuck to the bed? Masha Sweet has. And there's only one possible reason: her little sister Sunny. Masha is used to Sunny's evil genius ways, but the glue Sunny used to secure a bouquet of plastic daisies to Masha's head is not coming out! The girls have to stay home from school and through a bizarre turn of events, they wind up at the hospital. It's the perfect place to fix Masha's head . . . but first they will (almost) contract a (not so) killer virus, steal a cast, and lead the nurses on a wild goose chase. When this is all over, Sunny Sweet is going to be so sorry. This hilarious new series will hit home with anyone who loves—and loves tricking—their siblings.
