

This book is truly an inspirational account of faith and perseverance. Life is a series of ups and downs, victories and defeats, triumph and tragedy, and success and failure. However, what forms and makes a person is not necessarily the good times but most often the bad times. This book will illustrate one man's journey through the peaks and valleys of his life to discover who he was called to be and how God used every test and trial to prepare him for a greater purpose. Upon completing this book, one cannot be more inspired than to reflect on their own lives and see how God brought treasure out of their tragedy.
