

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Chemische Kampfstoffe: Geschichte, Entwicklung und Einsatz (German Edition), Proceedings of the Fourth International Symposium on Magnetic Materials, Processes, and Devices (Proceedings / Electrochemical Society), Little Josie Blue Eyes - Flowers for Everyone, Fairy Gifts (Young Learners Classic Readers Book 60), The Measurement of General Exchange-value, The Red Mountain, Pumping Machinery: A Treatise On the History, Design, Construction and Operation of Various Forms of Pumps, General zoology; or, Systematic natural history Volume 2, Pt.1, Lucky Break (My Sister the Vampire Book 7),
