

Talk About a Family

Genny's parents are fighting ...again. Her little sister is hiding in the bathroom. Still, Genny is hopeful. Tonight is the night her big brother Larry comes home from the army. Genny is confident that Larry will say exactly the right thing to make the family happy and loving again -- the way they used to be. But when Larry's return doesn't produce the miracle she had counted on, Genny is angry. It takes a sympathetic friend to help her understand that change isn't necessarily bad -- and that families can still love each other, no matter what happens.
