

There once was a little apple seed that dreamed of having something special to share with those around him. THEN one day he was RIPPED from his home, TOSSED in the air, and FELL ALL ALONE in the dirt. Terrified, he wondered if his shattered dream could ever come true. Determined, he gathered his courage, and he began to grow. But year after year passed, and he despaired that he would never achieve his dream. Until one day he made a discovery that changed his life forever.
