

The Adventures of Tom Sawyer ; complete 8 parts, (Illustrated) (with linked TOC)

*Illustrated*Includes Table of Contents Fiction The Adventures of Tom Sawyer, Complete by Mark Twain (Samuel Clemens) British actor Mike McShane provides a superb portrayal of Mark Twains classic characters, nailing the Mississippi drawl and cadence. Beautifully presented for a modern teen audience with both the original play. Story Adventure, this is the must-have edition of a timeless classic. For those who know and love the story or are following along with an unabridged edition, however, this production is marred somewhat by what the publisher has chosen to leave out. The more descriptive chapters are shortened or expurgated entirely, which is understandable in the interest of editing time Adventure Most of the adventures recorded in this book really occurred; one or two were experiences of my own, the rest those of boys who were schoolmates of mine. Huck Finn is drawn from life; Tom Sawyer also, but not from an individualhe is a combination of the characteristics of three boys whom I knew, and therefore belongs to the composite order of architecture. Thomas Tom Sawyer is the title character of the Mark Twain novel The Adventures of Tom Sawyer (1876). He appears in three other novels by Twain: Adventures of Huckleberry Finn (1884), Tom Sawyer Abroad (1894), and Tom Sawyer, Detective (1896).Sawyer also appears in at least three unfinished Twain works, Huck and Tom Among the Indians, Schoolhouse Hill, and Tom Sawyers Conspiracy. While all three uncompleted works were posthumously published, only Tom Sawyers Conspiracy has a complete plot, as Twain abandoned the other two works after finishing only a few chapters.The fictional characters name may have derived from a real-life Tom Sawyer with whom Twain was acquainted in San Francisco, California, while Twain was employed as a reporter at the San Francisco

Call. The character himself is an amalgamation of three boys Twain knew while growing up. Tom Sawyer's best friends include Joe Harper and Huckleberry Finn and his love Becky Thatcher. In The Adventures of Tom Sawyer, Tom's infatuation with classmate Rebecca Becky Thatcher is apparent. He lives with his half brother Sid, his cousin Mary, and his stern Aunt Polly in the (fictional) town of St. Petersburg, Missouri. In addition, he has another aunt, Sally Phelps, who lives considerably farther down the Mississippi in the town of Pikesville. Tom is the son of Polly's dead sister.
