

Georgia and her beautiful palomino pony, Lily, are hoping to make it to the Horse of the Year Show. Its a big dream and itll take a lot of work from both of them. Georgia isnt sure shes good enough and its affecting how she rides. How she feels about everything, in fact. Its almost as if Georgia has forgotten why she loves riding. Can Lily help her remember that its not just about competing and winning trophies, but about the joy of running free...
