

## Skunk Scout

Teddy's idea of a good vacation is a triple-feature at the movie theater. So when his uncle invites him to go camping, he is more than a little reluctant. To make matters worse, his know-it-all little brother, Bobby, is coming, too. Teddy practices his camping skills in his Chinatown apartment and watches Wilderness Scout for tips, but nothing can prepare him for his meeting with Mother Nature. Soon Teddy, Bobby, and Uncle Curtis find themselves in the woods, sleeping on rocks, and battling raccoons, mosquitoes, and poison oak. Through it all, Teddy is determined to prove he is just as smart as his little brother. But the worst is yet to come. A hike leaves them lost in the woods-and is that a skunk coming down the path?
