

The Smith Family Secret Book 2: The Lonely Gibbon

WHAT WOULD YOU DRAW? Cardiff has a talent for drawing, and recently discovered he can Draw with a capital D; the ability to make anything he draws come to life! Mom could Draw as well. Dad told him that all Smiths that ever had the gift mysteriously vanish. Mom is no exception. But what good is having an amazing gift if you can never use it? When Cardiff meets a lonely gibbon at the zoo he gets an idea that might be taking it a step too far. The Smith Family Secret is a secret, after all.
