

From the bestselling author of S.D. Stuart's Minecraft Adventures comes an exciting new science-fiction action-adventure series. What if you could rewind your life? 11 year old Jason feels misunderstood and alone in the world. Then one day, he obtains a device that could alter the past to keep his father alive. All he has to do is figure out how it works before someone else uses it to rewrite all of human history. Season One – Episode 2: Jason learns just how important he is to the future of all of humanity. Meanwhile, Agent Hauser makes a startling discovery about the guard that attacked his underground compound.
