

## Hey, I Wanna Be a Cool Dude, Too!

Little Brayden , 3rd child , total surprise to his family, was fighting sibling rivalry from the start. The in-vitro twins , Madison and Daniel, his brother and sister, loved Brayden till he received more attention then them...then it started! They pushed him away and would not let him play...taking his toys and making him cry.

Finally one day Madison,who he called Ba Ba , decided to make him her sister and dress him up in all her princess dresses and make up... Brayden liked that she played with him all day and did not care if he was in dresses and make up because it made Ba Ba happy and she stopped Daniel from picking on him . Ba Ba loved him for being her pretend sister, even wearing her wigs and shoes... But one day he decided he wanted to wear what he wanted to wear...He was now 3 and wanted to dress in his boy clothes so Daniel would stop making fun of him.. Picking out his own clothes was what he wanted to do . Still letting Ba Ba dress him in her dresses and make up was okay but he told them all, I have cool shirts, pants, and shoes and I wanna be a cool Dude!
