

## When Life Strikes: Weathering Financial Storms

There are certain life events that are as stressful as they are unavoidable. All of these events may not happen to every individual, but nonetheless they each cause emotional heartache and financial headache and Cal Brown has seen them all. Thanks to his years of experience as a financial planner, coupled with various tumultuous events in his own life, Cal is able to give general guidance and specific financial tips to help ease the stress of these inevitabilities. When Life Strikes is an excellent resource for coping with unexpected tragedies, learning how to prepare for them, and looking ahead for the sake of your spouse, children, and personal future.
